

REMARKS

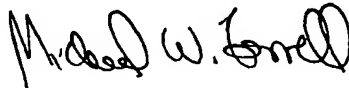

This patent application is a divisional application of United States Serial No. 10/042,513, filed January 9, 2002. In that case two-hundred and five (205) claims were filed and a five (5) way restriction requirement was made. Claims 1-79 were elected and subsequently allowed.

In this application, Applicant has maintained Group II from the five-way restriction requirement and added new Claims 206-210.

Claim 206 is supported by original Claims 1 and 5 of the application as originally filed; while Claims 207-210 are supported by original Claims 6, 13, 14 and 15.

The Examiner is invited to call undersigned Counsel with any questions concerning this matter.

Respectfully submitted,

Michael W. Ferrell
Attorney for Applicant
